See back page for more details.

Step 1 - Begin by fitting the castors

Step 2 - Release clip and open

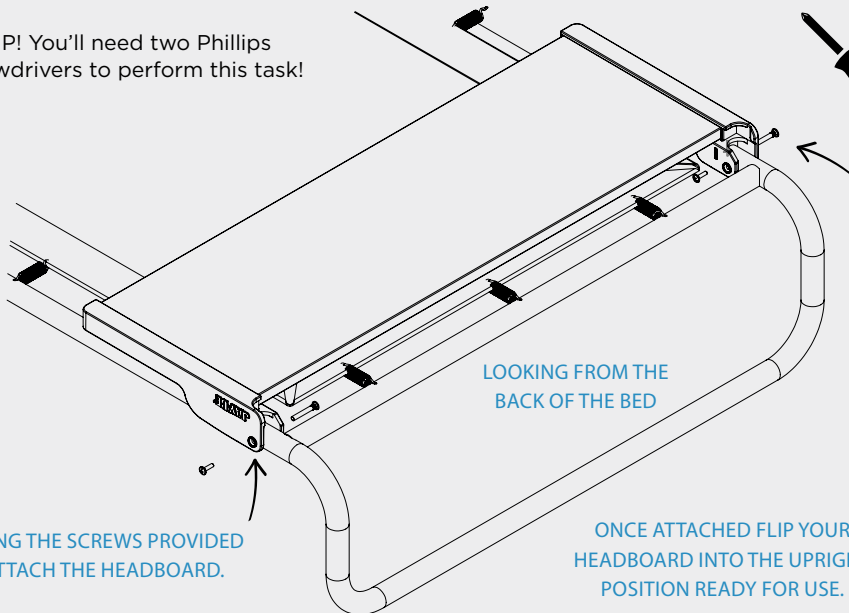

Register your product for a free Lifetime Guarantee

See back page for more details.

Step 3 - Fix your headboard

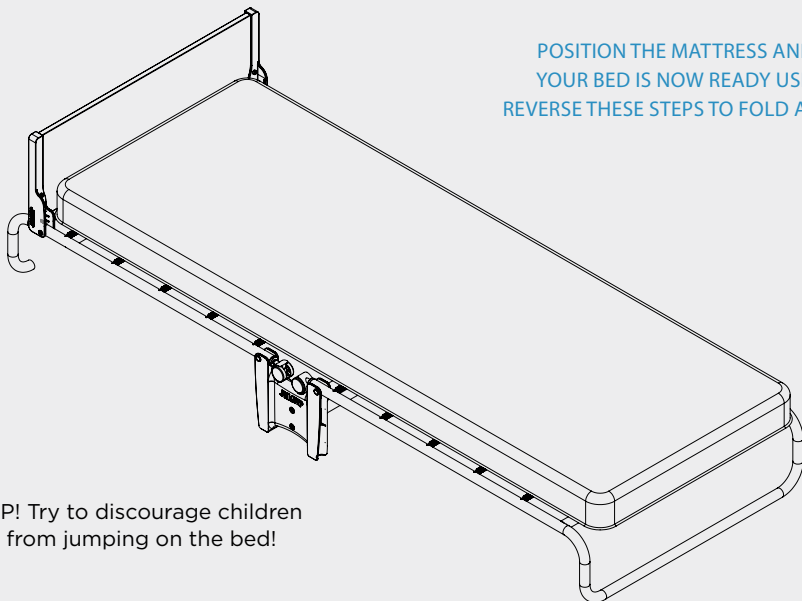

TIP! You'll need two Phillips screwdrivers to perform this task!

USING THE SCREWS PROVIDED ATTACH THE HEADBOARD.

ONCE ATTACHED FLIP YOUR HEADBOARD INTO THE UPRIGHT POSITION READY FOR USE.

Step 4 - Your bed is now ready for use

POSITION THE MATTRESS AND YOUR BED IS NOW READY USE. REVERSE THESE STEPS TO FOLD AWAY.

TIP! Try to discourage children from jumping on the bed!

For your safety

We take your safety very seriously, that's why JAY-BE® products are designed and tested to meet rigorous International Safety and Quality Standards.

This sofa bed contains moving parts. Please be aware of hand entrapment when operating and never allow children to play on this product. Do not use the sofa bed if a part is broken, torn or missing.

Taking care of your bed

To clean your new bed, use a clean damp cloth. To store your bed, we recommend that it is covered and situated in a dry area at normal room temperature. JAY-BE® Storage Covers, designed to fit your bed perfectly are available.

To extend the lifespan of your mattress we recommend that you turn it on a monthly basis.
